

Fan and Blower Parts

S.N.	Picture	Product Type	Spec (D*H-Bore Diameter)	Material	Application
1		Forward unilateral centrifugal wind wheel	Ø210*75-8 (CCW) with volute	ABS+GF	Air Purifier Fresh Air System
2		Forward unilateral centrifugal wind wheel	Ø220*70-8 (CW) Embedded in the bottom of the motor	ABS+GF	Air Purifier Fresh Air System
3		Forward unilateral centrifugal wind wheel	Ø236*72-8 (CW/CCW)	ABS+GF	Air Purifier Fresh Air System

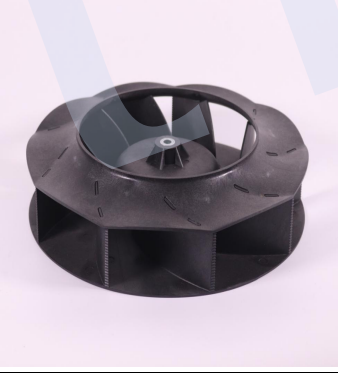

Fan and Blower Parts

S.N.	Picture	Product Type	Spec (D*H-Bore Diameter)	Material	Application
4		Forward unilateral centrifugal wind wheel	Ø265*70-8 (CCW) with volute	ABS+GF	Air Purifier Fresh Air System
5		Forward unilateral centrifugal wind wheel	Ø270*70-8 (CW/CCW) with volute	ABS+GF	Air Purifier Fresh Air System
6		Forward inclined bilateral centrifugal wind wheel	Ø145*105-8	ABS	Fresh air series

Fan and Blower Parts

S.N.	Picture	Product Type	Spec (D*H-Bore Diameter)	Material	Application
7		Forward inclined bilateral centrifugal wind wheel	ø193*100-8	ABS	Fresh air series
8		Forward inclined bilateral centrifugal wind wheel	Ø205*140-8/12	ABS	Fresh air series
9		Forward inclined bilateral centrifugal wind wheel	ø245*205-12	ABS	Fresh air series

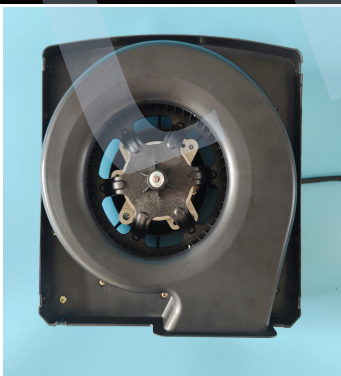

Fan and Blower Parts

S.N.	Picture	Product Type	Spec (D*H-Bore Diameter)	Material	Application
10		Forward inclined bilateral centrifugal wind wheel	ø205*60-8 with volute	ABS	Fresh air series ultra-thin
11		Forward inclined bilateral centrifugal wind wheel	ø235*85-8/12 with volute	ABS	Fresh air series ultra-thin
12		backward inclined centrifugal fan	ø265*70-8	ABS	Fresh air series

Fan and Blower Parts

S.N.	Picture	Product Type	Spec (diameter*height-Aluminum inner diameter)	Material	Application
13		Plastic air guide ring	145/193/205/245	ABS	Fresh air system
14		plastic vent	ø100/110/120/145/200/250	ABS	Fresh air system
15		plastic vent	ø110/150/200	ABS	Fresh air system

Fan and Blower Parts

S.N.	Picture	Product Type	Spec (diameter*height-Aluminum inner diameter)	Material	Application
16		plastic fan	210# impeller: $\varnothing 210 \times 75-8$ volute: 266W*110D	ABS+GF ABS+PC	Fresh air system
17		plastic fan	265# impeller: $\varnothing 265 \times 70-8$ volute: 330W*115D	ABS+GF ABS+PC	Fresh air system
18		plastic fan	205# impeller: $\varnothing 205 \times 60-8$ volute: 296*288*114	ABS+GF ABS+PC	Fresh air system

Fan and Blower Parts

S.N.	Picture	Product Type	Spec (diameter*height-Aluminum inner diameter)	Material	Application
19		plastic fan	235# impeller: 235*85-8 volute335*326*133	ABS+GF ABS+PC	Fresh air system
20		Forward inclined bilateral centrifugal wind wheel	ø136*193-12 with volute	ABS	FCU series
21		Forward inclined bilateral centrifugal wind wheel	ø145*150-12 with volute	ABS	FCU series

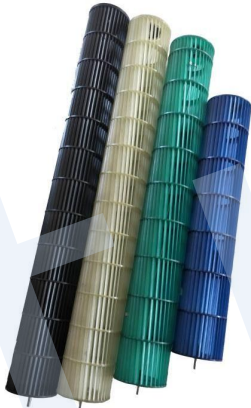

Fan and Blower Parts

S.N.	Picture	Product Type	Spec (diameter*height-Aluminum inner diameter)	Material	Application
22		Forward inclined bilateral centrifugal wind wheel	ø145*190-12	ABS	FCU series
23		Forward inclined bilateral centrifugal wind wheel	ø157*150-12	ABS	FCU series
24		Forward inclined bilateral centrifugal wind wheel	ø157*200-12	ABS	FCU series

Fan and Blower Parts

S.N.	Picture	Product Type	Spec (diameter*height-Aluminum inner diameter)	Material	Application
25		Forward inclined bilateral centrifugal wind wheel	ø160*180-12/14 with volute	ABS	FCU series
26		Coil volute wind wheel	ø136*193-12	ABS	FCU series
27		Coil volute wind wheel	ø145*150-12	ABS	FCU series

Fan and Blower Parts

S.N.	Picture	Product Type	Spec (diameter*height-Aluminum inner diameter)	Material	Application
28		Coil volute wind wheel	ø160*180-12/14	ABS	FCU series
29		cross-flow vane	ø81/91/101.5/102/115 Length can be customized according to customer requirements	AS	Indoor unit of air conditioner, large summer fan, exposed wall-mounted coil

Changzhou Trustec Company Limited

Fan and Blower Parts

S.N.	Picture	Product Type	Spec (diameter*height-Aluminum inner diameter)	Material	Application
30		Axial fan blade	ø440*150-12	ABS	Air conditioner outdoor unit Air source heat pump
31		Axial fan blade	ø496*143-12	ABS	Air conditioner outdoor unit Air source heat pump

Molds can be designed and made according to customers' request.

Bulk order product specifications, colors, materials can be customized according to according to customers' request.
